issues

according to section 16 of Act No. 22/1997 Coll., on technical requirements for products and on changes and amendments to some Acts, as amended

CERTIFICATE OF ACCREDITATION

No. 272/2026

PAVUS, a.s.
with registered office Prosecká 412/74, 190 00 Praha 9 - Prosek
Company Registration No. 60193174

for the Certification Body No. 3041
Product Certification Body

Scope of accreditation:

Certification, determination and assessment of building products, parts, structures and products for building equipment, fire safety equipment and chemical products, extended application of test data from testing of reaction to fire and fire resistance, and fire classification of building products to the extent as specified in the appendix to this Certificate.

This Certificate of Accreditation is a proof of accreditation issued on the basis of assessment of fulfillment of the accreditation criteria in accordance with

ČSN EN ISO/IEC 17065:2013

In its activities performed within the scope and for the period of validity of this Certificate, the abovementioned Accredited Body is entitled to refer to this Certificate, provided that the accreditation is not suspended and the Accredited Body meets the specified accreditation requirements in accordance with the relevant regulations applicable to the activity of an accredited conformity assessment body.

This Certificate of Accreditation replaces, to the full extent, Certificate No.: 16/2024 of 12/01/2024, and/or any administrative acts building upon it.

The Certificate of Accreditation is valid until: 02/06/2031

Prague: 02/06/2026

Signed in the Czech original:
Tomáš Mikuta on 02/06/2026

Tomáš Mikuta
Director of the Department
of Certification and Inspection Bodies
Czech Accreditation Institute

This translation of the Czech original has been issued by: Andrea Muzikářová

**The Appendix is an integral part of
Certificate of Accreditation No. 272/2026 of 02/06/2026**

Accredited entity according to ČSN EN ISO/IEC 17065:2013:

PAVUS, a.s.
CAB number 3041, Product Certification Body
Prosecká 412/74, 190 00 Praha 9 – Prosek

The Certification Body applies a flexible approach to the scope of accreditation.

The current list of activities carried out within the flexible scope is publicly available (on the certification body's website <https://www.pavus.cz/sluzby/certifikace>) in the form of the "List of activities within the flexible scope of accreditation".

Certification of products (including material products, processes, services)

Material Products

Ordinal number	Product / Product group name	Certification scheme	Specification of standards (normative documents)	Degree of freedom ¹
